Come to Center Parcs

Center Parcs is the perfect family holiday. There are four of them in England and you can do almost anything you want there.

If it's exercise you want, you can go walking or cycling through the forest. There are also adventure sports like windsurfing. If you're a team player, you can play basketball, tennis, or soccer. But if you prefer quieter activities, you can do tai chi or yoga in the gym, or go swimming in the numerous swimming pools. And if you don't like exercising at all, you can learn to paint in the art class or just sit in the cafe and relax.

Center Parcs isn't only for adults; children enjoy it as much as their parents. Mothers and fathers can relax in the sauna or play golf while babies and small children play with their friends in the Time Out clubs.

There is something for everyone at Center Parcs.

1 *When?*

The Eurovision Song Contest takes place in May every year. Before the final competition, people in each country choose the song they want to represent their country.

2

The idea of the contest is to promote pop music from all of the different countries and to give an opportunity to new singers and composers.

3

Only members of the European Broadcasting Union can participate in the competition. Singers don't have to have the nationality of the countries they represent. For example, in 1963 the singer Nana Mouskouri represented Luxembourg, although she is Greek. Since 1986, singers must be over 16, after a 13-year-old from Belgium won the competition the year before.

4

In the first years of Eurovision, only the United Kingdom, Ireland, and Malta could sing in English. Now there are no rules about languages, so groups can sing in their own language or in English if they want to. Today almost all the contestants sing in English.

5

The competition is always in the country where the last year's winner came from. The country with the most winners is Ireland, and many Eurovision singers have become very famous, for example Abba and Julio Iglesias.
